Re: Proposed Service Plan Amendments for South Aurora Regional Improvement Authority (“SARIA”) Member Districts; Revisions to ARI Mill Levies

To the Office of Development Assistance, City of Aurora:

I. Introduction

The South Aurora Regional Improvement Authority (“SARIA”) is a contractually-established authority created for the purpose of funding regional transportation improvements in the southern portion of Aurora. SARIA was originally established by intergovernmental agreement in 2017 and currently includes as its members the City of Aurora (the “City”) and the following 22 individual metropolitan districts:

Beacon Point Metropolitan District
Blackstone Metropolitan District
Forest Trace Metropolitan District Nos. 1-3
Inspiration Metropolitan District
Kings Point South Metropolitan District Nos. 1-3
Overlook at Kings Point South Metropolitan District
Prairie Point Metropolitan District Nos. 1-3
Pronghorn Valley Metropolitan District
Senac South Metropolitan District Nos. 1-4
Sorrel Ranch Metropolitan District
Southlands Metropolitan District No. 2
Wheatlands Metropolitan District
Whispering Pines Metropolitan District No. 1

Submitted with this letter are proposed service plan amendments (the “Service Plan Amendments”) to amend the service plans of all but five of SARIA’s member districts (excluding such five districts, the “Amending Members”), along with resolutions of each of the Amending Members authorizing SARIA to submit the Service Plan Amendments to the City.

The Boards of Directors of all of the Amending Members have approved the Service Plan Amendments and have authorized SARIA, on behalf of the Amending Members, to process the Service Plan Amendments as one submittal with the City.

Forest Trace Metropolitan District No. 2 is not requesting an amendment to its service plan at this time because the district either is not expected at any time to issue debt and thus it will likely never impose an ARI Mill Levy or it will include only commercial property, and under either circumstance the changes proposed in the Service Plan Amendments would not apply. Senac South Metropolitan District Nos. 1-4 are also not requesting an amendment to their service plans at this time because the districts have

expressed a preference not to alter their ARI Mill Levy as proposed in the Service Plan Amendments. This is not expected to adversely impact the Amending Members or SARIA, and the Amending Members and SARIA have determined nonetheless to proceed with the Service Plan Amendments.

II. SARIA Background

SARIA was organized for the limited purpose of financing “Regional Improvements” consistent with SARIA’s establishing agreement and the service plans of each of SARIA’s member districts.

SARIA does not and is not authorized under its establishing agreement to own, operate or maintain any public improvements.

SARIA also does not impose any taxes or fees. Rather, SARIA relies entirely upon revenues derived from each member district’s ARI Mill Levy as set forth in the member districts’ service plans (the “ARI Mill Levy(ies)”) in order to finance Regional Improvements.

III. Current ARI Mill Levy System

Currently, consistent with the City’s Model Service Plan in place since 2004, the SARIA member districts’ ARI Mill Levies are generally imposed, beginning the first year each district imposes a debt service levy, as follows:

Tier 1: 1 mill from Years 1-20 (“Tier 1 Levy”);

Tier 2: 5 mills Years 21-40, or the date of repayment of the district’s debt, whichever first occurs (“Tier 2 Levy”); and

Tier 3: for an additional ten (10) years, the mill levy is equal to the average debt service mill levy imposed in the ten (10) years prior to the date of repayment of the district’s debt (“Tier 3 Levy”).

IV. Limited Purpose of Proposed Service Plan Amendments

The limited purpose of the Service Plan Amendments is to modify the ARI Mill Levy of each Amending Member as follows:

For Amending Members that currently have residents:

Tier 1: 1 mill from Years 1-20 (unchanged)

Tier 2: 5 mills for Years 21-40, or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs (unchanged); and

Tier 3: for an additional ten years, the mill levy shall be equal to the lesser of 30 mills or the mill levy imposed by such district in the tax year 2023 for collection in 2024.

For Amending Members that do not currently have residents:

Tier 1: 5 mills from Years 1-20 (increased from 1 mill to 5 mills);

Tier 2: 5 mills from Years 21-40, or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs (unchanged); and

Tier 3: for an additional ten years, the mill levy shall be 30 mills.

In addition, the Service Plan Amendments provide that for any Amending Member whose current debt will extend beyond year 40, the ARI Mill Levy will not commence until that debt is paid off, but for all other Amending Members the Tier 3 levy is clarified to commence no later than year 40.

More specifically, the foregoing change to the ARI Mill Levy for the Amending Members can be summarized, and the Amending Members can be broken out into four groups, as follows:

“Group 1”:

- Tier 1:** 1 mill (unchanged)
- Tier 2:** 5 mills (unchanged)
- Tier 3:** 30 mills (fixed at 30 mills)

- Forest Trace Metropolitan District No. 1 (2023/24 debt service levy = no levy imposed yet)
- Forest Trace Metropolitan District No. 3 (2023/24 debt service levy = 56.440)
- Inspiration Metropolitan District (2023/24 debt service levy = 34 mills)
- Pronghorn Valley Metropolitan District (2023/24 debt service levy = 57.156)

“Group 2”:

- Tier 1:** 1 mill (unchanged)
- Tier 2:** 5 mills (unchanged)
- Tier 3:** 2023/24 debt service mill levy (which is less than 30 mills)

- Beacon Point Metropolitan District: Tier 3 = 25.367 mills
- Blackstone Metropolitan District: Tier 3 = 22 mills (commences in 42nd year)
- Sorrel Ranch Metropolitan District: Tier 3 = 28.154 mills
- Southlands Metropolitan District No. 2: Tier 3 = 25 mills
- Wheatlands Metropolitan District: Tier 3 = 20.707 mills
- Whispering Pines Metropolitan District No. 1: Tier 3 = 26 mills

“Group 3” (No Current Residents):

- Tier 1:** 5 mills (increased from 1 to 5)
- Tier 2:** 5 mills (unchanged)
- Tier 3:** 30 mills (fixed at 30 mills)

Kings Point South Metropolitan District Nos. 1-3
 Overlook at Kings Point South Metropolitan District
 Prairie Point Metropolitan District Nos. 1-3

“Group 4” (No Service Plan Amendment Proposed):

Forest Trace Metropolitan District No. 2
 Senac South Metropolitan District Nos. 1-4

V. Rationale and Benefits of Proposed Service Plan Amendments

As stated above, the proposed Service Plan Amendments have been approved individually by the Boards of Directors of all of the Amending Members. The Service Plan Amendments are being submitted by SARIA to the City as one package on behalf of all of the Amending Members in order to process them efficiently.

As currently defined in the service plans of the Amending Members, the ARI Mill Levy is complicated, ambiguous, and, in particular with the Tier 3 Levy, simply cannot be accurately projected. For example, because the Tier 3 Levy is supposed to be “equal to the average debt service mill levy imposed in the ten (10) years prior to the date of repayment of the district’s debt,” a date that is for some districts more than 20 years in the future, it is impossible to know now what the Tier 3 Levy will actually be. This makes it difficult for the Amending Members to plan out their property tax levies into the future. It also means that the Tier 3 Levy may be impacted by long-term influences such as changing property values and changing Board priorities well into the future. Further, it makes the issuance of debt to finance Regional Improvements supported by the Amending Members’ ARI mill levies difficult and thus more expensive to issue.

The Tier 3 Levy is ambiguous because while it is supposed to begin in year 40 or the date of repayment of the district’s debt, whichever first occurs, the Tier 3 Levy rate cannot be calculated in year 40 if the district’s debt is not yet repaid because it calculated on the debt service levy rate in the 10 years prior to “repayment.” Further, the Tier 3 Levy could be read in some circumstances to be required in addition to a districts existing debt service levy, thus causing a ‘doubling-up’ of the Tier 3 Levy on top of the district’s debt service levy.

In order to resolve the foregoing issues, the Amending Members and SARIA initially proposed fixing the Tier 3 Levies of all member districts at 30 mills as an approximate average of currently projected Tier 3 Levies. But a number of Amending Members already had a debt service levy below 30 mills. So, rather than setting the Tier 3 Levies at a rate higher than the current projection, the Amending Members settled upon a Tier 3 Levy fixed at the lesser of 30 mills or each district’s current debt service mill levy. This is why the Amending Members are separated into Group 1 and Group 2, above.

Further, a subset of the Amending Members, identified as Group 3 above, are willing to increase their Tier 1 Levy from 1 mill to 5 mills. These districts are still in predevelopment stages and would generally not see an increase in their ARI Mill Levy for up to 20 years, unlike other members districts who are 10-20 years into the ARI Mill Levy timeline. By increasing their Tier 1 Levy, these Group 3 districts will contribute more to Regional Improvements by way of their increased Tier 1 Levy contributions in earlier years.

A final nuance is that, under the Service Plan Amendments, Blackstone Metropolitan District, but not any other district, will have its Tier 3 Levy commence not earlier than when it pays off its existing debt or year

42. The reason for this change is to avoid a 'doubling-up' of the Tier 3 Levy on top of Blackstone Metropolitan District's current debt which matures in year 42.

VI. Summary of Benefits of Proposed Service Plan Amendments

The benefits of the proposed Service Plan Amendments to the Amending Members can be summarized as follows:

- Clearly establishes a set Tier 3 Levy.
- Allows Amending Members to anticipate future property tax rates and assists in long-term planning.
- Protects against any factors that would otherwise increase the Tier 3 Levy.
- Allows for more certain revenue projections to aid in financing Regional Improvements .
- Increases Tier 1 Levy revenue from the Group 3 Amending Members to better support Regional Improvements.
- Clarifies ambiguity in the Tier 3 Levy when a district has not paid off its debt by year 40 by setting a defined Tier 3 Levy Rate and avoids 'doubling up.'

VII. Summary and Request

In closing, on behalf of the Amending Members and SARIA, we respectfully request the Aurora City Council approve the enclosed Service Plan Amendments.

Sincerely,

**SECOND AMENDMENT
TO
SECOND AMENDED AND RESTATED SERVICE PLAN
FOR
BEACON POINT METROPOLITAN DISTRICT**

City of Aurora, Colorado

Second Amended and Restated Service Plan approved by the City of Aurora on July 26, 2010
As Amended by that First Amendment to the Second Amended and Restated Service Plan
approved by the City of Aurora on May 11, 2015

This Second Amendment to the Second Amended and Restated Service Plan Dated _____

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora approved the Second Amended and Restated Service Plan for Beacon Point Metropolitan District on July 26, 2010 as amended by that First Amendment to the Second Amended and Restated Service Plan on May 11, 2015 (collectively, the “**Service Plan**”). This Second Amendment to Service Plan (“**Amendment**”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “**SARIA Establishment Agreement**”) and is a member district of the South Aurora Regional Improvement Authority (“**SARIA**”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “**Regional Improvements**,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to financial additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1) mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be equal to the mill levy certified by such district for the tax year 2023 for collection in 2024; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “**2018 Bonds**”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above,

all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE
BLACKSTONE METROPOLITAN DISTRICT
APPROVING SERVICE PLAN AMENDMENT**

WHEREAS, the City of Aurora (the “City”) previously approved the Second Amended and Restated Service Plan (the “Service Plan”) for the Blackstone Metropolitan District (the “District on July 26th, 2010, as amended by a First Amendment approved by the City_May 15, 2017;

WHEREAS, SARIA previously issued special revenue bonds to fund, in part, regional improvements consistent with the SARIA Establishment Agreement, and SARIA desires to issue additional debt to finance additional regional improvements, but SARIA has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are parties to the SARIA Establishment Agreement; and

WHEREAS, the Board of Directors of the District (the “Board”) has determined that an amendment to the Service Plan is necessary to make certain revisions to the ARI Mill Levy in order to facilitate the issuance of debt by SARIA to fund additional regional improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents, as set forth herein.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE BLACKSTONE METROPOLITAN DISTRICT AS FOLLOWS:

1. The Board hereby approves the amendment to the Service Plan attached hereto as **Exhibit A** and incorporated by reference herein (the “Service Plan Amendment”).

The Board directs and authorizes the District’s manager, legal counsel, accountant and/or other consultants, in coordination with each other, to submit the Service Plan Amendment to the City of Aurora for consideration and to take any and all actions reasonably necessary to obtain the City or Aurora’s full and final approval of the Service Plan Amendment.
3. **SECOND AMENDMENT
TO
SERVICE PLAN
FOR
BLACKSTONE METROPOLITAN DISTRICT**

City of Aurora, Colorado

Service Plan approved by the City of Aurora on July 26th, 2010, as amended by a First Amendment approved by the City of Aurora on May 15, 2017

This Second Amendment Dated ____, 2024

I. INTRODUCTION AND PURPOSE OF SECOND AMENDMENT

The City of Aurora approved the Second Amended and Restated Service Plan for Blackstone Metropolitan District (the “District”) on July 26, 2010, as amended by a First Amendment approved by the City on May 15, 2017 (collectively, the “Service Plan”). This Second Amendment to Service Plan (“Amendment”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design,

permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1) mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the forty-second (42nd) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be equal to the mill levy certified by such district for the tax year 2023 for collection in 2024; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

**AMENDMENT
TO
SERVICE PLAN
FOR
FOREST TRACE METROPOLITAN DISTRICT NO. 1**

City of Aurora, Colorado

Service Plan approved by the City of Aurora on July 24, 2006

This Amendment Dated __, 2024

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora approved the Model Service Plan (the “Service Plan”) for Forest Trace Metropolitan District No. 1 (the “District”) on July 24, 2006. This Amendment to Service Plan (“Amendment”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

- A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1)

mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Service Plan approved by the City of Aurora on March 4, 2002,
as amended and restated on August 6, 2004,
with a name change effective February 10, 2017

This Amendment Dated _____, 2024

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT FOR INSPIRATION METROPOLITAN DISTRICT

The City of Aurora approved the Consolidated Service Plan (the “Service Plan”) for RockingHorse Metropolitan Districts Nos. 1 and 2 on March 4, 2002, which Service Plan was amended and restated by the Amended and Restated Consolidated Service Plan for RockingHorse Metropolitan Districts Nos. 1 and 2 on August 6, 2004, following which there was a change of the name of RockingHorse Metropolitan District No. 2 to Inspiration Metropolitan District (the “District”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. For districts with property within their boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1) mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be equal to the lesser of 30 mills or the mill levy imposed by such district in the tax year 2023 for collection in 2024; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

**AMENDMENT
TO
SERVICE PLAN
FOR
KINGS POINT SOUTH METROPOLITAN DISTRICT NO. 2**

City of Aurora, Colorado

Service Plan approved by the City of Aurora on June 5, 2017

This Amendment Dated ____, 2024

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora approved the Amended and Restated Consolidated Service Plan (the “Service Plan”) for Kings Point South Metropolitan District No. 2 (the “District”) on June 5, 2017. This Amendment to Service Plan (“Amendment”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the

planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be five (5) mills for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE

APPROVING SERVICE PLAN AMENDMENT**

WHEREAS, the City of Aurora previously approved the Service Plan (the “Service Plan”) for the Kings Point South Metropolitan District No. 3 (the “District”) on August 8, 2022;

WHEREAS, the District previously entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”), and, consistent with the Service Plan and the SARIA Establishment Agreement, the District has approved an ARI Master Plan (as defined in the SARIA Establishment Agreement) and has pledged its ARI Mill Levy (as defined in the Service Plan) to SARIA;

WHEREAS, SARIA previously issued special revenue bonds to fund, in part, regional improvements consistent with the SARIA Establishment Agreement, and SARIA desires to issue additional debt to finance additional regional improvements, but SARIA has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are parties to the SARIA Establishment Agreement; and

WHEREAS, the Board of Directors of the District (the “Board”) has determined that an amendment to the Service Plan is necessary to make certain revisions to the ARI Mill Levy in order to facilitate the issuance of debt by SARIA to fund additional regional improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents, as set forth herein.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE KINGS POINT SOUTH METROPOLITAN DISTRICT NO. 3 AS FOLLOWS:

1. The Board hereby approves the amendment to the Service Plan attached hereto as **Exhibit A** and incorporated by reference herein (the “Service Plan Amendment”).
2. The Board directs and authorizes the District’s manager, legal counsel, accountant and/or other consultants, in coordination with each other, to submit the Service Plan Amendment to the City of Aurora for consideration and to take any and all actions reasonably necessary to obtain the City or Aurora’s full and final approval of the Service Plan Amendment.
3. The Board further authorizes SARIA and its manager, legal counsel, accountant and/or other consultants, in coordination with the District’s consultants, to submit the Service Plan Amendment to the City of Aurora for consideration and to take any and all actions reasonably necessary to obtain the City or Aurora’s full and final approval of the Service Plan Amendment on behalf of the District.

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora approved the Service Plan (the “Service Plan”) for Kings Point South Metropolitan District No. 3 (the “District”) on August 8, 2022. This Amendment to Service Plan (“Amendment”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

improvements described in the ARI Master Plan, which: (i) shall be five (5) mills for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora approved the Second Amended and Restated Service Plan (the “**Service Plan**”) for Prairie Point Metropolitan District No. 1 (the “**District**”) on April 22, 2024. This Amendment to Service Plan (“**Amendment**”) is intended to be read in conjunction with the Service Plan.

The District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “**SARIA Establishment Agreement**”) and is a member district of the South Aurora Regional Improvement Authority (“**SARIA**”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “**Regional Improvements**,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be five (5) mills

for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D. of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “**2018 Bonds**”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as

amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be thirty (30) mills; and

Additionally, Section D. of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

**AMENDMENT
TO
MODIFIED
AMENDED AND RESTATED SERVICE PLAN
FOR
SORREL RANCH METROPOLITAN DISTRICT**

City of Aurora, Colorado

Amended and Restated Service Plan approved by the City of Aurora on August 30, 2004
Modified on August 14, 2006

This Amendment dated _____

I. INTRODUCTION AND PURPOSE OF FIRST AMENDMENT

The City of Aurora, Colorado (the “City”) previously approved the Service Plan for Sorrel Ranch Metropolitan District (the “District”) on August 19, 2002, as amended and restated on August 30, 2004, and modified effective August 14, 2006 (collectively, the “Service Plan”). This Amendment to Service Plan (“Amendment”) is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement, as amended (the “**SARIA** Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Article II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the

planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1) mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be equal to the mill levy certified by such district for the tax year 2023 for collection in 2024; and

Additionally, Section D of the definition of “ARI Mill Levy” in Article II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 Bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 Bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

All capitalized terms used but not otherwise defined in this Amendment shall have the definitions ascribed to them in the Service Plan. Except as specifically amended as set forth above, all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL

It is hereby requested that the City Council of the City of Aurora, Colorado, which has jurisdiction to approve this Amendment by virtue of Section 32-1-207(2) C.R.S., *et seq.*, as amended, adopt a resolution of approval which approves this Amendment to the Service Plan as submitted.

**RESOLUTION OF THE BOARD OF DIRECTORS OF THE
SOUTHLANDS METROPOLITAN DISTRICT NO. 2
APPROVING SERVICE PLAN AMENDMENT**

WHEREAS, the City of Aurora previously approved the Service Plan (the “Service Plan”) for the Southlands Metropolitan District No. 2 (the “District”) on August 30, 2004;

WHEREAS, the District previously entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”), and, consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy (as defined in the Service Plan) to SARIA;

WHEREAS, SARIA previously issued special revenue bonds to fund, in part, regional improvements consistent with the SARIA Establishment Agreement, and SARIA desires to issue additional debt to finance additional regional improvements, but SARIA has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are parties to the SARIA Establishment Agreement; and

WHEREAS, the Board of Directors of the District (the “Board”) has determined that an amendment to the Service Plan is necessary to make certain revisions to the ARI Mill Levy in order to facilitate the issuance of debt by SARIA to fund additional regional improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents, as set forth herein.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE SOUTHLANDS METROPOLITAN DISTRICT NO. 2 AS FOLLOWS:

1. The Board hereby approves the amendment to the Service Plan attached hereto as **Exhibit A** and incorporated by reference herein (the “Service Plan Amendment”).
2. The Board directs and authorizes the District’s manager, legal counsel, accountant and/or other consultants, in coordination with each other, to submit the Service Plan Amendment to the City of Aurora for consideration and to take any and all actions reasonably necessary to obtain the City or Aurora’s full and final approval of the Service Plan Amendment.
3. The Board further authorizes SARIA and its manager, legal counsel, accountant and/or other consultants, in coordination with the District’s consultants, to submit the Service Plan Amendment to the City of Aurora for consideration and to take any and all actions reasonably necessary to obtain the City or Aurora’s full and final approval of the Service Plan Amendment on behalf of the District.

The City of Aurora approved the Service Plan (the “Service Plan”) for Whispering Pines Metropolitan District Nos. 1 and 2 on August 22, 2005. Whispering Pines Metropolitan District No. 2 has no continuing operations and no Board of Directors. This Amendment to Service Plan (“Amendment”) is submitted on behalf of Whispering Pines Metropolitan District No. 1 (“District”) and is intended to be read in conjunction with the Service Plan.

Since the time the Service Plan was approved, the District entered into that certain South Aurora Regional Improvement Authority Establishment Agreement (the “SARIA Establishment Agreement”) and is a member district of the South Aurora Regional Improvement Authority (“SARIA”). The SARIA Establishment Agreement is considered an ARI Establishment Agreement and SARIA is considered an ARI Authority pursuant to the Service Plan, as those terms are defined in the Service Plan.

Consistent with the Service Plan and the SARIA Establishment Agreement, the District has pledged its ARI Mill Levy to SARIA.

SARIA previously issued its Special Revenue Bonds, Series 2018, to fund, in part, Regional Improvements consistent with the SARIA Establishment Agreement (the “Regional Improvements,” as defined in the SARIA Establishment Agreement). SARIA desires to issue additional debt to finance additional Regional Improvements, but has determined that the ARI Mill Levy as currently set forth in the Service Plan poses various challenges to the issuance of debt funded by the ARI Mill Levy of the District and all other districts that are party to the SARIA Establishment Agreement.

The District, as well as SARIA and all the other districts that are parties to the SARIA Establishment Agreement, have determined that certain revisions to the ARI Mill Levy as set forth in the service plans of each of the districts, by way of this Amendment, will facilitate the issuance of debt by SARIA to fund additional Regional Improvements for the benefit of SARIA, the District, the other districts that are parties to the SARIA Establishment Agreement, and their collective and respective residents, owners, taxpayers and constituents.

The limited purpose of this Amendment is to amend the Service Plan’s definition of ARI Mill Levy as further set forth below.

II. AMENDMENT

The District’s Service Plan is hereby amended as follows:

Section A of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

A. A. For a district with property within its boundaries developed with any residential uses means the mill levy imposed for payment of the costs of the planning, design, permitting, construction, acquisition and financing of the improvements described in the ARI Master Plan, which: (i) shall be one (1) mill for collection beginning for each district in the first year of collection of a debt service mill levy by such district and continuing in each year thereafter through the twentieth (20th) year; and (ii) shall be five (5) mills from the twenty-first (21st) year through the fortieth (40th) year or the date of repayment of the debt incurred for Public Improvements, other than Regional Improvements, which ever first occurs; and (iii) for an additional ten (10) years, the mill levy shall be equal to the mill levy imposed by such district in the tax year 2023 for collection in 2024 (twenty-six (26.000) mills); and

Additionally, Section D of the definition of “ARI Mill Levy” in Section II of the Service Plan shall be deleted in its entirety and replaced with the following language:

D. If, on or after January 1, 2004, there are changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement, all mills described in this ARI Mill Levy definition may be increased or decreased to reflect such changes, such increases or decreases to be determined by the Board in good faith (such determination to be binding and final) so that to the extent possible, the actual tax revenues generated by the mill levy, as adjusted for changes occurring after January 1, 2004, are neither diminished nor enhanced as a result of such changes. For purposes of the foregoing, a change in the ratio of actual valuation shall be deemed to be a change in the method of calculating assessed valuation.

III. CONDITIONAL EFFECTIVENESS OF AMENDMENT; REFUNDING OF 2018 BONDS AS CONDITION PRECEDENT

It is acknowledged that SARIA previously issued its South Aurora Regional Improvement Authority Special Revenue Bonds, Series 2018, in the original amount of \$11,265,000, on December 19, 2018 (the “2018 Bonds”). It is further acknowledged that the 2018 Bonds are secured, in part, by the pledge of the District’s ARI Mill Levy as such ARI Mill Levy is defined in the District’s Service Plan prior to this Amendment. Nothing in this Amendment is intended to alter, amend, limit or otherwise affect the ARI Mill Levy as pledged toward the 2018 Bonds.

Therefore, it is expressly stated that this Amendment shall only take effect upon the condition precedent that the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full, and this Amendment shall not be of any force and effect unless and until the 2018 bonds are refunded, repaid, defeased, or otherwise paid in full.

IV. EFFECT OF AMENDMENT

all other provisions of the Service Plan shall remain in full force and effect. To the extent there are any inconsistencies between this Amendment and the Service Plan, this Amendment shall control.

V. REQUESTED APPROVAL
